Sonoma Blue Flat 1

Sonoma Blue Tucks Folded

Sonoma Blue with Tucks Flat 2

Sonoma Blue with Tucks Flat

Features & Benefits

The Sonoma® Washable Bed Pad by MIP is our best-selling bed pad offering a great combination of comfort, performance and price.

Sonoma® Bed Pads feature a soft quilted top surface for optimal comfort to the care receiver, a premium absorbent soaker offers a level up in absorbency from our Sonoma™ Lite Bed Pad and a PVC fluid proof bottom layer providing protection to the bedding and mattress.

The fluid proof barrier has a brushed finish which help to minimise movement, keeping the pad in place, although for restless sleepers Sonoma also come with an option with tucks for further reassurance.

The Sonoma® option with Tucks showcase our durable WhooTex fabrics, promoting longevity and efficiency even in high-demand settings. The lightweight brushed fabric also has great stain release properties and is non-pilling.

Choose from a range of Sonoma® options: pink or blue top surfaces, with or without tucks, standard and extra-large sizes.

Our Sonoma® range also features a chair pad, in our popular pink colour option.

Benefits:

- Range of quilt surface colours and sizes available
- Sonoma® quilted surface offers great comfort
- Suitable for washing up to thermal disinfection temperatures.
- Superior Absorbency
- Efficient drying
- WhooTex tucks offer exceptional longevity and efficiency in the wash.
