Features & Benefits

MIP's SleepKnit CombiSpreads® are a heavy duty blanket that combines our FBL blanket and SleepKnit® bedding construction. This provides a unique polyester soft surface together with a polyester fibre fill. This ensures the blanket provides excellent non-iron, no-fold advantages, and ensures optimum warmth and comfort.

Available in four colours; Blue, Green, Mulberry, Navy*.

Made from 100% Polyester.

Flame Retardant to European Standard EN ISO 12952.

*MTO applies for FBSK5477/W/NA.
