

Features & Benefits

Conveniently holds PPE supplies, such as, gloves, isolation gowns and masks.

- ➔ Reduces hallway clutter
- ➔ Encourages infection control compliance
- ➔ Adjustable, easy to hang
- ➔ Washable, durable, easy to store
- ➔ Silkscreen for easy identification

Our PPE Caddy can be hung using existing coat hooks, command hooks or by using the over the door hooks provided, ensuring clean and new PPE articles are elevated. Reducing clutter in hallway, corridors and rooms.

Can be wiped clean or washed to thermal disinfection temperatures.

*NOTE: The E1G PPE Caddy must **not** be hung on fire doors*
