WHITE (WH)

 Features & Benefits

Perpetua Bedspreads deliver lasting patient comfort and warmth.

Made from a reversible, soft polyester, the tight, smooth weave minimises the risk of snagging and is hemmed for a clean finish. With excellent stain release properties and colour retention, Perpetua is a long lasting and durable bedspread that looks great wash after wash.

Flame Retardant to European Standard EN ISO 12952

*previously Perpetua was known as "Ultralinks"
