

KARRI-CART Range - At A Glance

Karri-Carts are designed as sturdy stacking units for the distribution of clean personal clothing. Karri-Carts are made from a light weight, high quality MRSA resistant powder coated steel. They come complete with a selection of coloured trays for ease of sorting as well as a robust hanging rail to transport products on hangers. (KCart/Combi does not include a hanging rail).

All Karri-Carts are sold fully assembled.
