As a global supplier of healthcare textile solutions, MIP provides comfort and efficiency for the healthcare community and its people, based on the belief that a real, vital impact exists within the seamless integration of science and caring around the world.

Washable Sonoma Bedpads by MIP

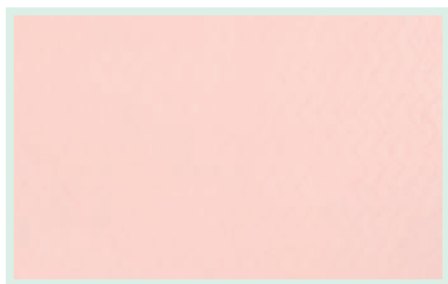

OUR BEST SELLING RANGE OF WASHABLE BEDPADS, THE SONOMA, HAS A SOFT QUILTED TOP SURFACE FOR COMFORT, AN ABSORBENT SOAKER LAYER AND A FLUID PROOF BARRIER ON THE BOTTOM.

SONOMA BEDPADS ENJOY MANY BENEFITS AS AN ENVIRONMENTALLY-FRIENDLY ALTERNATIVE TO DISPOSABLES, DELIVERING LONG-TERM SAVINGS FOR BEDPAD USERS.

Washable Sonoma Pink Bedpad

- Available in standard and XL sizing
- Both sizes are available in options with and without tucks.
- Standard size (3 litre absorbency) Extra-large (3.5 litre absorbency)

Washable Sonoma Pink Chairpad

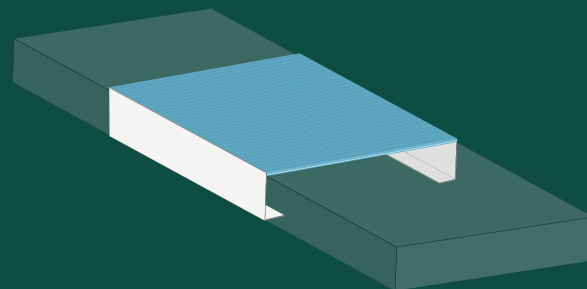

- Available in standard size
- 1 litre absorbency

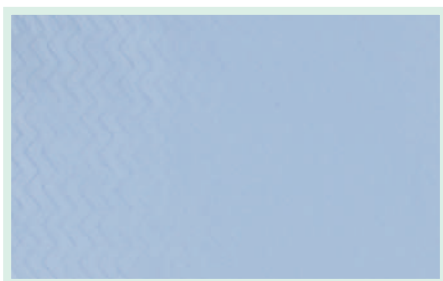

With Tucks vs. Without Tucks

Our Sonoma Bedpads have a textured waterproof backing designed to secure the pad in place when in use on a bed.

Whilst most people will not disturb the bedpad in the night, for restless sleepers, our option with tucks provides added support.

Washable Sonoma Blue Bedpad

- Available in standard sizing
- 3 litre absorbency

Why Choose Washable?

Superior Absorbency

The average adult typically excretes between 200-400mm of urine at any one time; our Sonoma bedpads can hold several times this amount.

Cost Saving

When washed correctly, a washable bedpad will have a longer lifespan and therefore is more cost effective.

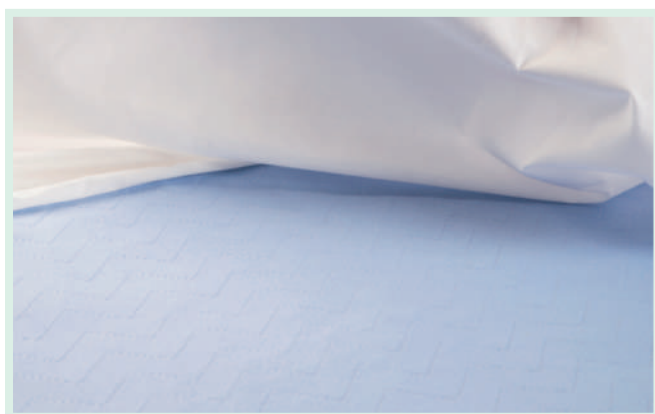

A Bedpad Always On Hand

Most washable bedpad users buy 3 bedpads, one for the bed, one in the wash and one in the cupboard ready for the next use; so unlike disposables you are less likely to run out.

Eco Friendly

Reuse, recycle, reduce waste.
